

SMART RULES

S	SAFE / SETTINGS Keep safe. Don't give out too much personal information (name, email, mobile, address, school). Make sure settings online are private.
M	MEETING Meeting someone you ONLY know online is risky. Make sure you take an adult with you just to be sure.
A	ACCEPTING Accepting emails / attachments / texts from people you don't know can lead to problems. They can contain viruses, or nasty images & messages. It's simpler & safer to delete.
R	RELIABLE ? Information online is not always reliable – check on other sites. People sometimes lie and are NOT who they might say they are.
T	TELL / TRUST If something happens that worries you or makes you feel uncomfortable, tell an adult or someone you trust. (Parent / Teacher / Older student)
